

SHRI SUDRISHTI BABA P.G. COLLEGE

ORGANISES

A WEBINAR ON “RELEVANCE OF GANDHI IN CONTEMPORARY WORLD”

“A man is but a product of his thoughts. What he thinks he becomes”
-Mahatma Gandhi

GANDHISM is a school of thought and not just one man's ideology. It is the underlying philosophy of a nation which is diverse yet lives together. It is the heroism, courage, patience and love of this one man which launched a nation into revolt against atrocities and brutality.

BUT

In today's world, is Gandhi still relevant? Or his story and method is a tale of 20th century, no longer holding grounds?

In today's webinar, we talk about Gandhism and his relevance in today's world for shaping a better future.
